4:15 pm **End of Congress**

The 12th Annual International Forum (AIF) is part of the 23rd German Congress on Crime Prevention (GCOCP), which aims to present and strengthen crime prevention within a broad societal framework.

More than 300 speakers are invited and about 3.000 visitors are expected to the world's biggest Congress in the field of Crime Prevention. Parallel to the Congress about 200 professional organisations will present themselves with exhibits and onstage.

The German Congress on Crime Prevention as well as the Annual International Forum are geared to people from over the world (German and non-German speaking) working in all areas of crime prevention.
